

$$
60^{\circ} \text { STAR POINT WORKSHEETS }
$$

Texas Star and other designs can be made by using the Star Points with $60^{\circ}$ hexagon, diamond, and triangle shape collections. Please see the All About Inklingo blog for more ideas.

The worksheets will help you plan a quilt with the new $60^{\circ}$ Star Point Add-on Shape Collections. There are also Electric Quilt Project Files on the blog.

$84 \times 84$ with 1.0/2.0 inch Star Points and 1 inch and 2 inch Hexagons
Area outlined in red corresponds to the size on page 1.

$84 \times 84$ with 1.0/2.0 inch Star Points and 1 inch and 2 inch Hexagons
Area outlined in red corresponds to the size on page 1.

$84 \times 84$ with 1.0/2.0 inch Star Points and 1 inch Hexagons
Area outlined in red corresponds to the size on page 1.

$84 \times 84$ with 1.0/2.0 inch Star Points and 1 inch Hexagons
Area outlined in red corresponds to the size on page 1.

Texas Star Variation 48 x 48 with 1.0/2.0 Star Points PLUS $60^{\circ}$ Hexagon 1 inch.

[^0]For pieced hexagons use $60^{\circ}$ Hexagon 1 inch with Other Half Hexagons.

For the edges use Half Star Points with Half Hexagon 1 inch (House and Other).

[^0]:    6.92
    

    4
    Pieced hexagon instead of $60^{\circ}$ Hexagon 2 inch
